

TASKI

Americo Green Pad

Deep scrubbing and
light stripping pad

The TASKI Americo Floor Pads – manufactured by Americo – provide long-lasting performance for scrubbing, stripping, buffing, cleaning and spray cleaning.

The pads are especially developed to provide consistent long-lasting performance and to assure high-quality results improving your productivity and reducing costs. The pads are made out of 100% recycled material, supporting customer's sustainability.

The uniform distribution of mineral abrasives throughout the pad (not just on the surface) provides outstanding performance and a long, useful life. The individually separated and coated fibres help produce better, more consistent results.

The range of different coloured pads are designed with the right amount of aggressiveness for all types of stripping, scrubbing and cleaning.

Different colours available:

- TASKI Americo Dominator Pad
- TASKI Americo Black Pad
- TASKI Americo Brown Pad
- TASKI Americo Green Pad
- TASKI Americo Red Pad
- TASKI Americo White Pad
- TASKI Americo Remover Pad

Key advantages:

- Superior quality
- Complete range
- Delivering best performance
- Sustainable – 100% recycling material

Benefits:

- Excellent results
- Long lasting performance
- Simplicity of implementation

Use overview

The **TASKI Americo Green Pad** is used for deep wet scrubbing or light stripping. The green pad aggressively removes dirt and scuff marks from heavily soiled floors. It is recommended for use on machines up to 350 rpm.

Use directions

The pad is used with a water based stripping solution to remove worn and soiled floor finishes or sealers

- Place the pad under the machine pad holder
- Fill the machine tank with cleaning solution
- Clean the floor with the well prepared machine
- Pick up dirty cleaning solution

Take care of the pads

- After use remove the pads from the pad holder
- Rinse the pads under tap water and leave to dry
